Norwalk City Hall*

15 Seabreeze Place, CAM Application: Replacement of an existing single family residence; removal of an existing boat lift from an existing dock. An 800 sq ft residence will be demolished and replaced with a 2 ½ story, 2300 sq ft single-family wood frame residence. The new construction will be adjacent to intertidal flats and tidal wetlands. New decks and patio area will be at a setback of 15 ft from an existing seawall. The property has an existing wooden dock extending ~61 ft into Norwalk Harbor. An existing boat lift which extends an additional 12 ft from the end of the dock will be removed.
