

*Norwalk Harbor Management Commission
Application Review Committee
Wednesday, May 24th, 2017
6:30 p.m.
Room 231 - Norwalk City Hall*

1. **Eversource Transmission Line Relocation**-Presentation by Eversource of the preferred route for the relocated transmission lines for the WALK BRIDGE project.
2. **5 Gregory Court, Pre-application review.** The applicant, Mr. Steve LoParco, plans to remove a 5' by 21' piling supported timber pier, 30" by 23' aluminum ramp, 10' by 10' timber floating dock and two timber float anchor pilings and re-construct a 4' by 65' piling-supported timber pier; install a 3' by 36' aluminum ramp, 8' by 20' timber floating dock, and two timber float anchor pilings. The pier will include a piling-supported boat lift and will be accessed by 4' wide timber steps at the landward terminus.
3. Discussion of City's policies to include the Norwalk Harbor Management Commission in the review process of all coastal site plan projects that involve development of properties on or contiguous to Norwalk Harbor. Examples would be SONO Mall Development and future plans for Manressa Island.

John Thomas Pinto
Chairman, Application Review Committee
Norwalk Harbor Management Commission
