**RECREATION, PARKS & CULTURAL AFFAIRS COUNCIL COMMITTEE
BY VIDEO CONFERENCE AND TELECONFERENCE
WEDNESDAY, JUNE 10, 2020 – 7:00 PM**

Members of the public can call in and listen to a meeting. They will not be able to speak or see any of the meeting participants. Each meeting will use a unique Meeting/Webinar ID. Please find the information using the link above.

Members of the public who wish to provide "live comments" will need to register in advance and use the Zoom meeting platform. All participants will be muted upon entering the meeting. To speak, click the "raise your hand indicator" and you will be called on by the host of the meeting during the public comment section. Please find the information using the link above.

Members of the public who wish to view the meeting, but are not participating, can view a live stream on the City of Norwalk YouTube channel. This stream is delayed by approximately 20 seconds. Please find the information using the link above. The meeting recording and minutes will be posted on the City of Norwalk website within seven (7) days after the meeting.

Members of the public who wish to provide public comment are encouraged to submit those via email in advance of the meeting. For these comments to be read into the record, they should be submitted at least three hours in advance of the meeting start time. Please email Dilene Byrd at dbyrd@norwalkct.org to provide written public comment prior to the meeting.

MEMORANDUM

To: Nick Roberts – Director of Recreation and Parks

From: Vanessa Valadares, P.E. – Principal Engineer

RE: RNP2020-1 Nathan Hale Middle School Bathroom/Concession Building Site and Foundation

Date: June 4, 2020

After reviewing the bid submittals for the project referenced, DPW recommends awarding the foundation work to FGB Construction Company (FGB) for the amount of \$31,500. FGB is the overall apparent low bidder for the project and is the lowest bidder for the foundation work, as shown in the attached spreadsheet. All site work for the precast concrete building can be performed in house.

The construction of the precast concrete foundation has already begun and is expected to arrive to site mid-summer. Without a foundation in place, there will be no place to set the precast concrete building. Awarding the foundation work to FGB will provide a sustainable location to set the building while staying within budget.
