

*Norwalk Harbor Management Commission
Application Review Committee*

March 17, 2009

*7:30 pm Norwalk City Hall
Planning and Zoning Conf. Room
Room 220*

1. 2009-03 Cont: Vantage Point Association, Inc, 100 Seaview Avenue

CT DEP #200502096-SJ. The proposal asks for two separate authorizations, as follow:

1. Authorization of a previous non-permitted repair to the seawall and
2. Authorization to berth boats along a section of existing dock that would be in compliance with required setbacks from the Federal Channel.

Reviewed Feb 2009 and tabled because authorizations are being requested to an entire property that is not in compliance with the Norwalk Harbor Management Plan.

Agent: Redniss and Mead

2. City of Norwalk City Marina

Post-dredging update on installation of floats. CT DEP did not require permitting for the removal of and re-installation of the floating dock system.

Other Business

A. Discussion of continuing revisions to the Guidelines and Recommendations form and language for plans and applications coming before the Commission.

B. In accordance with the city and state approved Norwalk Harbor Management Plan policies, a discussion regarding establishment of fees for review of applications and plans presented to the Commission.
