

# Advance Utility Project Traffic Announcement

## East Avenue to close the weekend of November 19 underneath the Railroad Bridge for Utility Work

Detour begins 8:00 PM on Friday, November 19 – 6:00 AM on Monday, November 22.

- Friday, November 19 (8:00 PM) – Monday, November 22 (6:00 AM).
- East Avenue will be closed in both directions.
- Trucks and cars advised to follow the posted detour signs and routes.
- A detour map is located on the back of this notice.

### Please Be Advised

- Work is weather permitting and is rescheduled as necessary.
- Access to East Norwalk train station is maintained.
- A video of the detour route is available at: [www.walkbridgect.com](http://www.walkbridgect.com).

### About the Project

The Advance Utilities Project consists of undergrounding utilities located between Winfield Street and Olmstead Place, on East Avenue in East Norwalk, CT. The utility upgrades are needed as part of the [East Avenue Bridge Replacement and Roadway Project](#). Utilities will be upgraded and, if necessary, replaced and relocated to accommodate further infrastructure improvements. Commuters and residents in the vicinity of East Avenue in East Norwalk can expect the following upgrades to underground utilities: new electrical, cable TV, fiber trunk line wires in East Norwalk; lower telephone conduits under East Avenue bridge; new sewer pipe and water main under East Avenue bridge and replaced City communication fiber on a new route, providing improved redundancy. *For more information, please visit:* [www.walkbridgect.com](http://www.walkbridgect.com).
