

Tax Assessors Map (property line)

Watercourse

Watercourse

1 inch equals 1,000 feet

The map of regulated areas, entitled "Inland Wetlands & Watercourses Map, Norwalk, Connecticut", as detailed in Section 60A-3 of the Norwalk Inland Wetland & Watercourses Regulations, delineates the general location and boundaries of inland wetlands and the general location of watercourses. In all cases, the precise location of regulated areas shall be determined by the actual character of the land, the distribution of wetland soil types and location of watercourses. This Map shall be considered advisory only. Any wetland or watercourse not shown on this map is nevertheless subject to these Regulations.

This map is intended for planning purposes only and contains no authoritative positional information. This map may not have been prepared for, or be suitable for, legal, engineering or surveying purposes. The City of Norwalk Conservation Office does not guarantee the accuracy, current status or completeness of the material contained herein and is not responsible for any misuse or misrepresentation of this information or its derivatives.
